This includes recorded live voices and voices that are produced and recorded synthetically (i.e., synthesizers or digitally sampled).

INSTRUMENTAL SOLO OR GROUP– Shall consist of a solo or group instrumental performance without vocal utterance. In Instrumental Solo, the only accompaniment allowed is a live or taped acoustical piano. If the instrument is piano, no accompaniment is allowed. VARIETY – Shall consist of a performance by one or more persons. This category is intended to provide a proper showcase for those acts which are not listed in any other category. Ex: ventriloquist, juggler or comedian. (A vocalist or vocal group accompanying themselves would not normally meet this test.) Performers who fit the description of another category may not appear in the Variety Category.

Cloverbud youth (ages 5-8) may display their exhibits also during the County Fair. For non-animal based projects, the Adair County Fair is the qualifying event for a youth to advance to the Kentucky State Fair.

County and State Fair Exhibit Rules

These rules are updated annually and will be followed in determining class champions that will advance to the State Fair. It is the youth's responsibility to prepare the exhibits according to the guidelines. Many of the categories refer to 4-H publications that can be ordered from the National 4-H Mall. The County Extension Office may have copies that you can review prior to purchasing your copy. Contact the Extension Office for specific category questions.
